Above rates subject to GST.

\* Containers are released into the care of the Merchant for packing, unpacking or any other purpose whatsoever at the sole risk of the Merchant until redelivered to the Carrier.

\* The Merchant shall indemnify the Carrier for all loss of and/or damage and/or delay to such containers.

\* The Merchant is responsible for returning containers within the specified time and in the same condition as when packed, with no residue from packaging materials and odour free.

\* If a container is not returned in the condition required or within the prescribed free time to the specified empty container facility, or the export terminal,

then the Merchant shall be liable for any Container Hire, loss or expense incurred as a result thereof.

\* Containers that are released from a ONE Depot for export but which are subsequently not used and returned to the ONE Depot are subject to container detention, from date of collection of the empty unit the date returned to the ONE Depot, as well as a 'Container Released to Shipper but Returned to Depot Not Used' fee.
