What are the existing problems?

Empty Container Parks (ECP) cost the industry both time and money for the handling and storage of empty containers.

How MatchBox Exchange solves this?

MatchBox Exchange™ is an online platform that delivers **BETTER-FASTER-SMARTER** logistics solutions.

TRANSPORT OPTIMIZATION

- Maximise transport mileage
- Shorter and fewer truck trips

ENVIRONMENTALLY SUSTAINABLE

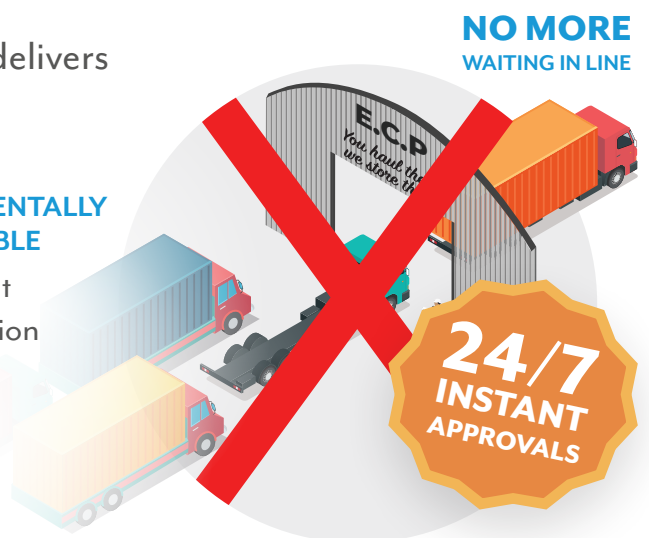

- Lower carbon footprint
- Reduce fuel consumption

COST REDUCTION

- Eliminate cost at depot
- Reduce travel costs
- Avoid late fees

INSTANT APPROVAL

- 24/7 instant approval
- Reuse and Exchange of empty containers
- Avoid unreliable service times

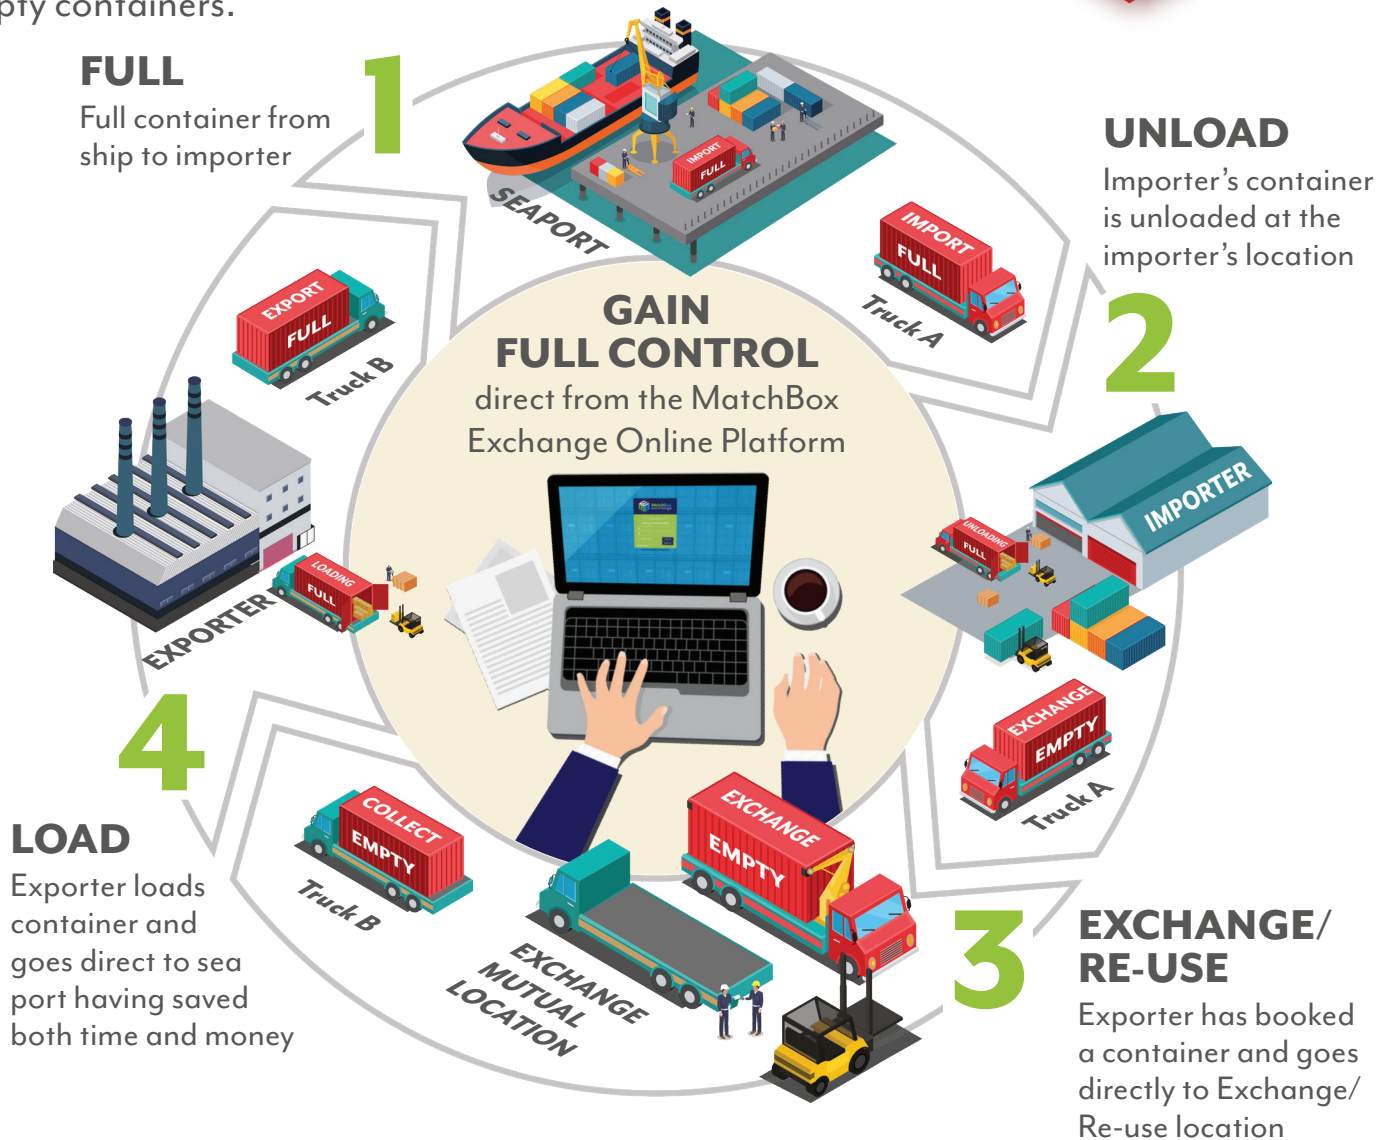

How it works?

MatchBox Exchange™ (MB) is a digital platform that allows users to instantly gain approval 24/7 to re-use a container within their possession.

The platform also allows users to source and exchange containers with other peers in the network, forming an open-market platform for the re-use and exchange of empty containers.
