## Notice to Clients Expansion of ONE QUOTE Platform

Dear Valued ONE Customers,

Ocean Network Express are very pleased to announce that we are expanding our services offered through our **ONE QUOTE** platform.

The **ONE QUOTE** platform is our new digital quotation platform, via which it is possible to get instant quotations and bookings at any time, providing you with a fresh alternative which is tailored to suit today's dynamic market conditions.

**ONE QUOTE** is offered in addition to our existing range of purchase & booking channel options and is accessible 24/7 for your convenience.

We are now offering space and rates across all our Northbound Services (**AU1, AU2, AUE, AUN, CAS and WAU**) from Australian Ports to a wide range of destinations.

We are currently offering this on-line platform for FAK commodities which are moving in 20'GP, 40'GP and 40'HC Dry General Standard Containers.

\*CY/CY only and no other out-ports by barge or feeders are currently available.

\*Tariff free time at origin & destination applies to all **ONE QUOTE** bookings.

We invite you to register for ONE's ecommerce applications via the link [below](#) to gain access to **ONE QUOTE**. Please read ONE's Terms & Conditions before accepting the option.

If you have any queries, please do not hesitate to contact your local ONE representative.

Yours sincerely,  
**Ocean Network Express (Australia) Pty Ltd**
