Information Sharing to Customers Exports of Waste Tyres

Dear Valued Customer,

Please be informed of the current Australian Governments' rules and regulations for exports of waste tyres, that effective 1st December 2021, export of whole baled tyres or tyres in pieces larger than 150mm are prohibited.

For more information and updates, please refer to the Department of Climate Change, Energy, the Environment and Water's (DCCEEW) website, at:

<https://www.dcceew.gov.au/environment/protection/waste/exports/tyres>

We thank you for your understanding and appreciate your continued support.

Yours sincerely,

Ocean Network Express (Australia) Pty. Ltd.
