Notice to Clients – Vessel Change Terminal
(For Discharge Operations)
Maersk Gairloch 407S / 407N [Fremantle]

Dear Valued Customer,

We wish to advise that the Maersk Gairloch 407S will change berthing terminal in Fremantle for import discharge, to mitigate delays caused by the heavy backlog that occurred from the extended berth repairs at the terminal. The vessel will call at PATRICK to load for export.

Original terminal (discharge): PATRICK

New terminal (discharge): DP World

The following is the latest tentative schedule and may still be subject to changes.

Port	Terminal	ETA
Fremantle (discharge)	DP World	23/02 - 26/02
	PATRICK	26/02 - 28/02

We will continue to provide further schedule updates when available; please also refer to Terminal or 1-Stop portals for latest cargo availability details.

We regret any inconvenience to you and your customers as a result of the change in terminal.

Should you have any queries do not hesitate to contact (email) ONE Australia Customer Care Team at australia.customercare@one-line.com.

Yours sincerely,

Ocean Network Express (Australia) Pty Ltd
