## Vessel Schedule Adjustments – WAU Service

Dear Valued Customer,

Due to recent heavy port congestion, some vessels, particularly the XIAMEN on the WAU service are heavily delayed. To maintain onward schedule integrity, a schedule slide down and a positional swap between vessels (the XIAMEN and the MAERSK YELLOWSTONE) will be undertaken to return them to the proforma schedule.

The following is the latest Australian coastal schedules (which may still be subject to changes):
