## Vessel Schedule Update

### AU2 Service – COSTA RICA EXPRESS V.435S / 438N

Dear Valued Customer,

We wish to inform you that the Costa Rica Express V.435S/438N will be omitting the 2<sup>nd</sup> Brisbane (Northbound) port call as a countermeasure to maintain onward schedule integrity from the recent delays due to weather and port congestions. The vessel will have a combined port call into Brisbane for import discharge and export load operations.

The following is the latest Australian coastal schedule (which may still be subject to changes):

Port	ETA	ETD
Brisbane*	18/09/2024 1515 hours	22/09/2024 0715 hours
Sydney	25/09/2024 0600 hours	26/09/2024 1930 hours
Brisbane	<i>OMIT</i>	<i>OMIT</i>

*\*Note: Single port call into Brisbane for both import discharges & export loads.*

Please refer to 1-Stop or terminal portals for the latest cargo availabilities, receivals, and cut-off details.

We regret any inconvenience to you and your customers as a result of the schedule changes. Should you have any queries, please do not hesitate to contact ONE Australia Customer Care Team at [australia.customercare@one-line.com](mailto:australia.customercare@one-line.com).

Yours sincerely,

**Ocean Network Express (Australia) Pty Ltd**
